VOICES FROM THE BL FAM

“ Selena Gomez had been my idol for all of my childhood! I first saw her in Wizards of Waverly Place and I appreciated that she came from a family with a Hispanic mom and a non-Hispanic dad, like my family! To this day she continues to inspire me with how far she took her fame on Disney channel and made it a thriving acting and music career with an empire in the makeup industry. ”

KATIE STITH
Assistant Manager

“ My favorite Latino icon is Bruno Mars, as his music has been very influential to me since I was in Middle School. It was very beneficial in my formative years to see a Puerto Rican in the media. ”

JOHN ZUMWALT
Assistant Manager

“ Frida Kahlo is my Latin idol, she played a huge role in the Mexican Movement through her artwork and ideas. Frida stood up for what she believed in and inspired millions of women to stand up and speak their mind. She is a true inspiration for all Latinos around the world. ”
